Celebrate Weddings

What was your most memorable wedding gift?

Brenda: Patio set.
Paul: 75 bags of Funions.

What wedding gift do you use the most today?

Patio set.

Whose relatives (friends) had the most fun at the wedding?

Paul's friends, who camped out and stayed up all night – until Paul dropped a knife on his foot and had to go to the emergency room at 3:15 a.m.

Where did you go for a honeymoon?

Duluth, the North Shore, and the Gun Flint Lodge (two nights). Just two weeks after the big wind storm, so hiking trails and horseback riding were all closed; downed trees were everywhere.

How do you keep romance alive in your marriage?

Not applicable, ha!
When we were dating, we spent a lot of time at our cabin, so when possible we try to spend some time there without the kids or guests.

If you could travel back in time to your wedding day, what advice for maintaining a happy marriage would you give yourselves?

Take time to spend with your spouse – alone!!
