PAYNESVILLE
ELEMENTARY

Paynesville Area Elementary School

All elementary students must have athletic shoes for physical education class. A good tennis shoe with tie laces is the best choice. No soft canvas or mountain boots should be worn for gym class. No sandals, crocs or flip flops - they will not be allowed! Trapper Keepers should not be brought by elementary students since they can't fit in the desks.

Please Note

- Label all supplies (except those marked as do not label) with student's name in permanent marker.
- Send supplies on the first day of school
- Specialists may require additional school supplies after school begins.

Kindergarten

Getting accustomed to and enjoying school is a big part of a child's first year of schooling. Kindergarten will continue to offer an all-day, everyday program. Everyone has to learn rules (how to get in line for lunch etc.) and how to deal with independence (being away from mom and dad). Socialization - in work and play - and learning how to listen and how to follow directions in a classroom builds the foundation for the rest of the school years.

Teachers: Amy Ellefson, Connie Ludwig & Beckie Quade

Recommended supplies

Mark with student's name.

- Two sturdy folders with two pockets on bottom to be used as take home folders.
- Two boxes of 24-count crayons
