ROCORI

DID YOU KNOW?

• The Sauk River meanders for 120 miles in Stearns County – including through Richmond, Cold Spring, and Rockville – before emptying into the Mississippi River near St. Cloud. The Sauk River Chain of Lakes is a series of lakes south of Richmond and Cold Spring formed by the river. Over 40 lakes lie within 10 miles of Richmond.

• The Cold Spring Springers have made a record 48 state tournament appearances in the Minnesota Amateur Baseball Association, including seven Class B state titles. They qualified for the state tournament for 22 seasons, which is also a record. The Richmond Royals, who play in the well-known Stearns County League, have made nine state tournament appearances, including being state runner-up in Class C in 1998. The Cold Spring Rockies, a Class C team, have played at state three times, including 2008.

• Rocori High School, formed in 1967, combines the communities of **RO**ckville, **CO**ld Spring, and **RI**chmond. The Rocori Spartans have more than 40 state appearances and have claimed six state titles: baseball, 1992; boys' track, 1992; boys' basketball, 1988; girls' track, 1987; baseball, 2010; and football, 2012. Legendary coach Bob Brink, now retired has taken the boys' basketball team to 13 state tournaments in his 40+ years of coaching. Wrestling is next for Rocori, with 10 state tournament appearances. The Spartans also have six runner-up finishes at state: football (1977 & 1991); girls' basketball (1987); baseball (1991); and girls' golf (twice, including in 2000).
