Harvey and Diane Rothstein of St. Martin

while we ate supper at Harvey's brother's house. A co-worker at the implement fixed it for us, and we were on our way.

What was your most memorable wedding gift?

A classmate of Harvey gave us \$20. We were so surprised because it was custom to put \$5-\$10 in a card. We have numerous memorable gifts including a scenic painting Harvey's sister did for us and had framed.

What wedding gift do you use the most today?

We kept our duplicate hand mixer and electric knife and are still using them today. They are both olive green, which was the popular color of that time.

Who caught the bouquet and did they have to shove to get it?

Carol Thelen, a friend of ours, caught the bouquet, and Carol and John really were the next ones to be married on the softball team.

Whose relatives (friends) had the most fun at the wedding?

Harvey's relatives because they really enjoyed the German beer drinking songs and, of course, the beer!

Where did you go for a honeymoon?

We went to Duluth and into Canada. The Holiday Inn honeymoon suite cost \$36.42. Wow, what a deal!

How do you keep romance alive in your marriage?

We believe in spending time together. Too many couples to their own ways. Couples don't have to go out on elaborate dates; the important thing is to do things together, whether it be going to the movies, out to eat, sporting events, walks, concerts, sociable drinks at the bar, etc. We go out almost every weekend to spend time together.

If you could travel back in time to your wedding day, what advice for maintaining a happy marriage would you give yourselves?

Diane says, "Take time for yourselves and be patient."

Harvey's favorite comment is, "A happy wife makes a happy life."

I (Diane) read a comment that said: to be happy is to make someone else happy. There's a lot of truth to that statement.

Dorothy and Les Kringle of Paynesville

KRINGLES - from page 7

borrow a pair from his best man.

What wedding gift do you use the most today?

A crystal coffee creamer and sugar set was a favorite - and about the only one remaining and still in use today.

Where did you go for a honeymoon?

We went up to Taylor's Falls, spent a day with the Kringle relatives, and then down through southern Wisconsin and Minnesota.

If you could travel back in time to your wedding day, what advice for maintaining a happy marriage would you give yourselves?

Large doses of love and forgiveness!
